

**2010 Coastal Spirit Football Club
Holiday Coaching Programme
July 5th – 8th**

With the large number for boys and girls playing soccer for CSFC it is important for us to provide effective programmes to help develop these players. Hence CSFC is continuing to run Holiday Camps in 2010 for any junior member of CSFC. This is an opportunity to continue with the development and education of their game.

All camp programmes that are run will have a clear emphasis on enjoyment, education and development of players. The camp will be staffed by qualified CSFC coaches and the Football Development Manager will oversee the entire programme.

The aim for the CSFC Holiday Camps is to provide all CSFC juniors an opportunity to learn new skills and also provide more contact time for players who have ambitions to strive for a higher level football.

The 2010 CSFC Holiday Camps will include players from the age of 5 to 14 years old for both the boys and girls. The camps are open to any player who is interested in furthering their development of football.
